**SOLID WASTE CARTS: POLICY RECOMMENDATION:** Town Manager Chase Winebarger stated that at the May 19, 2020, Council meeting, the need to reassess the Town's policies regarding solid waste carts was discussed. Currently, citizens can pay one (1) solid waste fee and have up to three (3) solid waste carts that the Town must pick up and pay for the tonnage that is generated by those carts. Town Manager Chase Winebarger stated that the Town is nearly breaking even (but still losing money) on the one (1) solid waste fee and first (1<sup>st</sup>) cart, but the Town is losing money on the second (2<sup>nd</sup>) and third (3<sup>rd</sup>) carts. Town Manager Chase Winebarger has stated that he has put together a proposed plan and fee schedule that is fair but also discourages excessive and unintended uses of solid waste carts. It limits the number of solid waste carts for residential and small commercial or business customers and placed a "per cart" fee on solid waste containers:

**Solid Waste & Recycling Cart  
Fee Schedule**

1. **No longer charge Cart Fee at Town Hall (\$70)**
  - a. Because carts will now belong to Republic rather than the Town
  - b. Requests for additional carts MUST still flow through Town Hall to ensure they are billed properly.

**2. Residential Customers**

- a. 4 Cart MAX (3 Trash & 1 Recycle)
- b. 1 Solid Waste Fee \$10 = 1 Trash & 1 Recycle
- c. 2<sup>nd</sup> Trash Cart = \$5
- d. 3<sup>rd</sup> Trash Cart = \$10
- e. **\$25/mo = MAX**

**3. Small Commercial Customers**

- a. 7 Cart Max (6 Trash & 1 Recycle)
- b. 1 Solid Waste Fee \$10 = 1 Trash & 1 Recycle
- c. 2<sup>nd</sup> Trash Cart = \$5
- d. 3<sup>rd</sup> Trash Cart = \$10
- e. 4<sup>th</sup> Trash Cart = \$10
- f. 5<sup>th</sup> Trash Cart = \$10
- g. 6<sup>th</sup> Trash Cart = \$10
- h. **\$55/mo = MAX**

Joe Wesson made a motion, and Clay Wilson seconded, to approve the Solid Waste Policy and Fee Schedule. All were in favor.

**PLANNING:**

**CHANGE IN OCCUPANCY PERMIT:** Town Manager Chase Winebarger stated that the Town has a Certificate of Occupancy Required in the Ordinances, but this has never been practiced. Town Manager Chase Winebarger stated that with not enforcing the Certificate of Occupancy Required Ordinance, the Town cannot keep up with the changes of use of any building or land. Town Manager Chase Winebarger stated that he had spoken with Caldwell County Emergency Management about enforcing the Ordinance and he had been informed that would help Caldwell County Fire Marshal's Office in inspecting all business that come in to Sawmills. Town Manager Chase Winebarger also stated that with having the language of "A certificate of occupancy issued by the Zoning Enforcement Officer is required in advance of any change of use of any building or land" then any new building or change of use for an existing building must receive approval from Town Staff. Staff is adding this to the zoning permit and will be enforcing this. The intent is track any change in commercial businesses in the town. The new property owner or business owner (tenant) will need to receive a permit to complete county inspections. This will allow staff to ensure no business is operating at a location that is not permitted in that zoning district or not permitted overall in our ordinance. Staff will be working with the county to help enforce this and make sure that everything is in compliance.

Clay Wilson made a motion, and Joe Wesson seconded, to have the Zoning Enforcement Officer to start requiring Change in Occupancy Permits, with a fee of twenty-five dollars (\$25.00) per permit. All were in favor.
