STAFF COMMENTS/RECOMMENDATIONS: Town Manager Chase Winebarger stated that this property has recently been purchased and demolished by the Town of Sawmills. Currently, all parcels of land are completely vacant. There used to be numerous homes located across the various properties. All of these homes have been removed from the property due to safety concerns.

The reason for this rezoning is to increase the manufacturing in the Town of Sawmills to promote jobs. Rezoning this property from residential (R-15) to manufacturing (G-M) will ensure both of these outcomes. Sawmills has taken numerous steps to ensure the economic development of this land, and ensuring this can be rezoned will be the final step in the said

process.

PUBLIC COMMENT: No one wished to speak.
