DISCUSSION:

NUISANCE ABATEMENT UPDATE: Town Administrator Christopher Todd stated that during the August Town Council meeting the Sawmills Town Council voted to allow Town Administrator Christopher Todd, to approve agreements for demolition, not to exceed the budgeted funding level of ten thousand dollars (\$10,000.00). Additionally, any agreements would be reviewed and approved by the Town Attorney. Due to the cost of demolition and the cost of asbestos removal, the ten thousand dollars (\$10,000.00) will not be sufficient to remove the structure. The current estimate for the total work is nineteen thousand nine hundred fifty dollars (\$19,950.00). This work would be accomplished by DH Griffin and its subsidiaries (for asbestos removal).

For safety and ability reasons, staff recommends that all asbestos removal and demolition be completed by the same company. This should decrease the time to finish the project and allow for a more streamlined process.

Staff has examined the budget and should be able to fund the project within the Community Development department. If the department as a whole is to go more than ten percent (10%) over budget, staff would recommend a budget amendment for the department at that time.

Joe Norman made a motion, and Keith Warren seconded, to increase the total project limit from ten thousand dollars (\$10,000.00) to twenty thousand dollars (\$20,000.00). All were in favor.

TIMBERLINE LUMBER COMPANY, LLC PROPERTY: Town Administrator Christopher Todd stated that staff wished to provide Town Council with an update regarding the Timberline property, commonly known as Kohler and Campbell. The Town Council voted during the November Council meeting to postpone the foreclosure process of the Timberline property in order to allow for the property to be auctioned on December 13, 2018. The investment company, Summit Bridge National Investments, is currently moving the auction date to January. The investment company has requested for the Town to continue its postponement of the foreclosure process until the auction is held.

Keith Warren made a motion, and Joe Norman seconded, to postpone the foreclosure until January. All were in favor.

FINANCIAL MATTERS:
