PUBLIC HEARING: TOWN OF SAWMILLS BICYCLE AND PEDESTRIAN PLAN

OPEN PUBLIC HEARING: Mayor Johnnie Greene asked for a motion to open the public hearing.

Rebecca Johnson made a motion, and Joe Wesson seconded, to open the public hearing. All were in favor.

STAFF COMMENTS/RECOMMENDATIONS: Brian Horton, Transportation Planning Manager with the Western Piedmont Council of Governments stated that the Town contracted Western Piedmont Council of Governments (WPCOG) to develop a Bicycle and Pedestrian Plan. A citizen steering committee met three times to help guide plan development. The new plan is intended to help guide Town policy decisions concerning the network, prioritization, and implementation of bicycle and pedestrian facilities.

Currently, Sawmills has a core sidewalk network linking Sawmills Elementary and Baird Park. The draft plan recommends maintaining and expanding this network to Veterans Park, South Caldwell High, Spring Lake Mobile Home Park, and Cajah Mountain Road. North Carolina Department of Transportation (NCDOT) plans to modernize Cajah Mountain Road between Highway 321A and Connelly Springs Road. This funded NCDOT project will straighten curves and add five-foot shoulders with construction expected in 2025. The new draft Plan recommends adding sidewalks and bicycle lanes inside Town limits along the NCDOT project, transitioning to a multi-use path between Mount Zion Church and Highway 321A. The recommended multi-use path would accommodate a shared space for cyclists and pedestrians, create a new accessible crossing of the Caldwell County Railroad, and connect to existing Mission Road sidewalks with a marked crossing of Highway 321A.

In addition to providing direction on NCDOT projects, the draft Plan also recommends concepts that may pursue future grant opportunities. One of these potential projects seeks to link Sawmills Elementary and Veterans Park. The draft recommendation would extend the existing sidewalk in the more residentially developed areas of Sawmills north of May Road and immediately south of Dry Ponds Road. Between May Road and Dry Ponds Road, as well as approaching Veterans Park, the Plan recommends a multi-use path. The trail system

in Veterans Park has recently been paved, and a loop trail is planned to be completed by Duke Energy. Enhanced crossings of Dry Ponds Road and at the Elementary School are also included in the recommended concept.

PUBLIC COMMENT: No one wished to speak.

TOWN MANAGER UPDATES: Town Manager Chase Winebarger had the following updates:

- Town Manager Chase Winebarger stated that the Town had purchased a Drone and has already started utilizing it. The drone has been flown over the Legion game, the Wilcox property, two (2) different code enforcement complaints, and the proposed area for the parking lot at Veterans Park. There has been some amazing footage captured and it will be on Facebook and the website soon.
- Town Manager Chase Winebarger stated that the Town has closed on the Wilcox property. Town Manager Chase Winebarger stated that he has been in contact with an architect and has an estimated cost of approximately twenty thousand dollars (\$20,000.00) for site plans to be drawn up. Town Manager Chase Winebarger also stated that there is hay already on the property and that he would like for the Town to allow Mr. Wilcox to cut the hay this year. Town Manager Chase Winebarger stated

that by the time a bid packet is developed, sent out and allowed time for response, the Town would be beyond the time for the second cutting. By the time the hay is ready next year, the Town should have a site plan and timeline developed and can do a bid packet for the hay, if needed, at that time. There were no objections to letting Mr. Wilcox cut the hay this year.

- Town Manager Chase Winebarger stated that on Friday, June 11, 2021, he spoke with Duke Power regarding the parking lot at Veterans Park and was informed that the Town does not need to build a parking lot at this time. Town Manager Chase Winebarger has stated that he asked for that information to be sent to him in writing. Town Manager Chase Winebarger stated that he would still like the Town to do the grading for the parking lot which would cost approximately one hundred fifty thousand dollars (\$150,000.00).
- Town Manager Chase Winebarger stated that at the last Council meeting it was asked if the Town had received the trash cans promised by Republic Services when the contract was signed. Town Manager Chase Winebarger stated that he spoke with Don Phelps at Republic Services and Republic is taking the blame for the Town not receiving the cans. Republic is going to waive the CPI increase (approximately eleven thousand dollars (\$11,000.00)) and begin securing cans to start putting out in Town. there is not an estimated time for delivery as of yet.
- Town Manager Chase Winebarger stated that he had received numerous complaints about speeding in the Doe Run subdivision. To investigate the issue, the Town placed the digital traffic sign that counts traffic, monitors speed, and compiles all the analytics for you at approximately ten (10) different locations in the subdivision. Town Manager Chase Winebarger stated that according to the sign data, approximately fifty-five (55) to sixty-five (65) percent of the vehicles traveling in the Doe Run Subdivision are over the speed limit with twenty-five (25) to thirty-five (35) percent traveling in excess of ten (10) mhp over the posted speed limit of twenty-five (25) mhp. Town Manager Chase Winebarger stated that the vast majority of this is occurring on Moore Acres Dr (which is the main road into the subdivision) and the percentage of vehicles speeding within the development drops around fifteen (15) percent with only around eight (8) percent exceeding ten (10) mhp over the posted speed limit. Town Manager Chase Winebarger stated that he has been approached regarding speed humps on Moore Acres Dr, however, Moore Acres Dr meets all requirements for speed humps but one (1). Council informed Town Manager Chase Winebarger that since there is one (1) requirement not met by Moore Acres Dr that the Town cannot go against policy and put in speed bumps.
- Town Manager Chase Winebarger stated that Baird Park is the home field for the 2021 Post 29 Junior Legion Softball Team (7th-10th Grade Ladies Fastpitch). Town Manager Chase Winebarger stated that there has been one (1) home game already and the feedback has been exceptional. Town Manager Chase Winebarger also stated that the Farmers Market is up and running and is going great.
- Town Manager Chase Winebarger stated that during the May 18, 2021 he was asked to look into the process for code complaints and the possible need to amend the policy regarding who complains and if it must be a written complaint. Town Manager Chase

Winebarger stated that in inspecting the policy, it seems that Town employees have been following a common practice rather than the nuisance ordinance for employees and Council members. Town Manager Chase Winebarger stated that he would still recommend that elected officials not make nuisance complaints, but employees are encouraged to make nuisance complaints. Town Manager Chase Winebarger stated that citizens are still required to fill out a written complaint form per the policy. Town Manager Chase Winebarger stated that he would suggest a change in practice not a change in policy.

- Town Manager Chase Winebarger stated that now that most COVID-19 restrictions are lifted that the Town can start events again. Town Manager Chase Winebarger asked Council what events would like to focus on for the FY 2021/2022:
 - Halloween-team up with the local churches and have a trunk or treat, a festival setting and fireworks. With a date to be determined.

- Town Manger Chase Winebarger stated that at this time, the Town does not require landlords to pay a deposit, resulting in the Town, at times, losing large amounts of money that the Town cannot collect. Town Manager Chase Winebarger stated that staff has discussed this matter and that charging landlords a deposit would be the simplest way to be able to collect the money from landlords.

Clay Wilson made a motion, and Rebecca Johnson seconded, to collect a water, sewer and sanitation deposit for all accounts with the exception of business accounts. All were in favor.
