PLANNING MATTERS:

CALL FOR PUBLIC HEARING FOR 321A REZONING: Town Planner Dustin Millsaps stated that William D Fields and Shauna L Leone have petitioned the Town for a rezoning for their property that is located on the edge of the Town of Sawmills jurisdiction to change from RA-20 to G-M (General Manufacturing) to be able to put in a greenhouse. The two (2) properties across the street from this property are zoned G-M. This property's current land use is vacant with no primary structure or use.

Town Planner Dustin Millsaps stated that the Town Planning Board had met on March 2, 2021, and recommended that the rezoning procedure shall proceed forward to Town Council.

Rebecca Johnson made a motion, and Joe Wesson seconded, to call for a public hearing on the rezoning during the April 20, 2021 regularly scheduled council meeting. All were in favor.

CALL FOR PUBLIC HEARING FOR 160D UPDATES: Ashley Kale with the Western Piedmont Council of Governments stated that the new Chapter 160D of the North Carolina General Statutes consolidates current city and county enabling statutes for development regulations (previously Chapters 153A and 160D) into a single unified chapter. Chapter 160D places these statutes into a more logical, coherent organization.

Ashley Kale stated that the Chapter 160D is effective now, but the state granted local governments to have until July 1, 2021 for the development, consideration, and adoption of necessary amendments to conform local ordinances to this new law. The Town of Sawmills contracted with the WPCOG to update the town's current zoning and subdivision development regulations to conform with the requirements of Chapter 160D.

Ashley Kale with the WPCOG stated that during the March 2, 2021 the Planning Board meeting, that the Planning Board voted to recommend the Chapter 160D changes to the zoning and subdivision ordinance to Council for approval.

Rebecca Johnson made a motion, and Joe Wesson seconded, to call for a public hearing for the Chapter 160D changes to the zoning and subdivision ordinance during the April 20, 2021 regularly scheduled council meeting. All were in favor.

DISCUSSION:

BAD DEBT WRITE OFF: Mayor Johnnie Greene stated that the Town had a list of 2017 accounts that have gone unpaid for Utility and Sanitation services. The Town does not expect to collect payment for these accounts and recommends that Council approve the write off of

the accounts. The total amount of these accounts is six thousand seven hundred thirty-five dollars and twenty-eight cents (\$6,735.28). Mayor Johnnie Greene also advised Council that included in the list are thirty-four (34) accounts the Town has submitted to the NC Debt Setoff Program for Collection. Mayor Johnnie Greene stated the Town had recovered six thousand seven hundred eighty-six dollars and forty-six cents (\$6,786.46) from previous years. There are sufficient funds in the budget to cover this.

Clay Wilson made a motion, and Keith Warren seconded, to approve staff to write off the 2017 list of bad debts accounts in the amount of six thousand seven hundred thirty-five dollars and twenty-eight cents (\$6,735.28). All were in favor.

METER CHARGE FOR REPLACEMENT METERS: Town Manager Chase Winebarger stated that since changing to the new AMI meters last year, Public Works has had to go change several meters due to customer negligence. The new AMI meters have an approximate value of four hundred dollars (\$400.00). Staff would like for Council to approve a meter replacing fee of five hundred dollars (\$500.00), which would include the cost of the AMI meter and labor for any meters that have to be replaced due to customer negligence.

Town Manager Chase Winebarger also stated that if Council approves the meter replacement fee, how would Council want staff to collect the fee.

Clay Wilson made a motion, and Rebecca Johnson seconded, to have a meter replacement fee of five hundred dollars (\$500.00) for any AMI meters that need to be replaced due to customer negligence and to table the fee collections discussion until the April 20, 2021 regularly scheduled council meeting for Town Attorney Terry Taylor to research options that would best suit the Town with the collection of the fees. All were in favor.

RECONNECTS FOR SANITATION ONLY ACCOUNTS: Town Manager Chase Winebarger stated that during disconnects, Public Works has to pick up sanitation cans due to nonpayment, only to have to go and return the can in the next few days and the only fees that sanitation account only customers have to pay is the past due bill. Town Manager Chase Winebarger stated that all other accounts are charged a reconnect fee or given an option to pay two (2) months bills (the past due amount and the following month).

Clay Wilson made a motion, Rebecca Johnson seconded, to charge a twenty-dollar (\$20.00) replacement fee for the time to pick up and storage of the can, return of the can plus the past due amount, or the option to pay two (2) months bills (the past due amount and the following month) to have sanitation accounts restarted. All were in favor.

SPECIAL PICK-UP LIMIT: Town Manager Chase Winebarger stated that there has been an increase in the number of special pick-ups for sanitation and brush. There are multiple locations that call for a special sanitation pick up weekly. At this time, the Town does not charge for special sanitation pick-ups or standard brush pile pick-ups because in the past the Town picked up the sanitation and went to the landfill on a regular basis. Now, Public Works is having to make trips to the landfill daily due to all the special sanitation and brush pick-ups, which is costing the Town extra money in tipping fees, fuel and truck maintenance charges. Town Manager Chase Winebarger stated that in order to off set the increased costs

the Town is incurring, staff would like to limit the number of special sanitation pick-ups and standard brush pick-ups to six (6) free pick-ups per calendar year and then a charge of seventy-five dollars (\$75.00) per every pick-up after the initial six (6).

Rebecca Johnson made a motion, and Keith Warren seconded, to limit the number of special sanitation and standard brush pick-ups to six (6) a year and any pick-up after the six (6) free will be charged seventy-five dollars (\$75.00) per pick-up. All were in favor.

BRUSH PICK-UP POLICY: Town Manager Chase Winebarger stated that for the past few years, the Town has been able to dispose of the brush locally for a monthly cost to the Town, but that facility has now closed, so the Town is having to take the brush to the Caldwell County Landfill. The Caldwell County Landfill charging a tipping fee of fifty dollars and one cent (\$50.01) per ton. With the increase of cost for tipping fees, fuel and maintenance, the Town can no longer afford to pick-up brush larger than a standard pile for free.

Town Manager Chase Winebarger stated that staff have worked to come up with the following changes:

- Limb diameter should be no larger than three (3) inches in diameter (changing it from four (4) inches in diameter)
- If larger than standard requirements, there will be a minimum charge of one hundred fifty dollars (\$150.00) per load.

Clay Wilson made a motion, and Joe Wesson seconded, to adopt the following Brush Pick-Up Policy:

1. Due to the volume of requests, work orders for brush pickup are handled in the order that they are received. When possible, brush pickup will take place within three (3) business days of receipt of the work order. If not possible to attend to within three (3) business days, brush will be collected as soon as possible.
2. *Brush will only be collected if it is left on the curb with all cut ends turned toward the street.*
3. *No brush from commercial tree trimming companies will be accepted or any brush from out of town.*
4. Limbs should be no larger than three (3) inches in diameter and the entire brush pile should be no longer than five (5) foot wide by five (5) foot tall by twelve (12) long. *Tree trunks, logs, and stumps will not be collected and must be separated out from the brush to be collected.*
5. If brush pile is larger than standard requirements there will be a minimum charge of one hundred fifty dollars (\$150.00) per trip.

All fees must be paid in advance.

All were in favor.
