OPEN PUBLIC HEARING: Mayor Johnnie Greene asked for a motion to open the public hearing.

Joe Wesson made a motion, and Keith Warren seconded, to open the public hearing. All were in favor.

STAFF COMMENTS/RECOMMENDATIONS: Town Planner Hunter Nestor stated that there was a proposed rezoning for the 1.59-acre tract located at 4192 US Highway 321A, Granite Falls, NC (NC Pin #2766727011). The property is owned by Roger and Lela Teague and is currently zoned H-B Highway Business. The properties current use of Single Family Residential Dwelling is not a permitted use of the H-B Zoning District and is considered a Nonconforming Use.

The property has always used as Single Family Residential Dwelling and is served by water and sewer and the proposed rezoning will have no impact to these utilities.

With the current use being single family residential that is still the highest and current best use of the property. The proposed rezoning is consistent with traffic and utility capacities, and surrounding neighborhood characteristics. The rezoning will have no impact to the adjacent property owners and the surrounding community, and the benefits of the rezoning outweigh any potential inconvenience or harm to the community. The proposed rezoning does maintain the public health, safety, and general welfare.

The Future Land Use Map identifies this property as Retail/Mixed Use, so if rezoned, it would not be consistent with the Future Land Use Map.

Town Planner Hunter Nestor stated that the Planning Board had met about the ZMA 2020-1 Rezoning of 4192 US Highway 321A at 4:00pm on May 19, 2020, and had unanimously voted to recommend approval of the rezoning.

PUBLIC COMMENT: Roger Teague wanted to speak for the rezoning.

CLOSE PUBLIC HEARING: Mayor Johnnie Greene asked for a motion to close the public hearing.

Keith Warren made a motion, and Clay Wilson seconded, to close the public hearing. All were in favor.

COUNCIL ACTION: Joe Wesson made a motion, and Clay Wilson seconded, to approve zoning map amendment 2020-1 concerning the rezoning of 4192 US Highway 321A and find that the proposed map amendment is not consistent with the Town of Sawmills Comprehensive Plan, however, it is consistent with the surrounding zoning and land uses and is reasonable and in the public interest and will have no impact to the surrounding properties. All were in favor.

RECOGNITIONS:

RECYCLE REWARDS WINNER: Mayor Johnnie Greene announced Stephen Hobbs, as the May Recycle Rewards winner. A credit of thirty-two dollars (\$32.00) will be added to the current sanitation bill.

No Council action was required.

FINANCIAL MATTERS:

PRESENTATION OF FY 2020-2021 BUDGET AND CALL FOR PUBLIC HEARING:

Town Manager Chase Winebarger presented to Council a proposed budget for Fiscal Year 2020-2021. Town Manager Chase Winebarger stated that the budget is balanced as required by the NC Local Government Budget and Fiscal Control Act. The Town's overall budget for FY 2020-2021 totals two million nine hundred thirty thousand seven hundred sixty-nine dollars (\$2,930,769.00). A few highlights of the proposed budget include no property tax increase; two point five percent (2.5%) increase in water and sewer rates; a two dollar (\$2.00) increase in sanitation fees; no appropriation from fund balance despite drastic reductions in revenues due to COVID-19; maintains current levels of services to citizens. Council must hold a public hearing on June 16, 2020, to adopt the budget.

Joe Wesson made a motion, and Clay Wilson seconded, to hold a public hearing on June 16, 2020, at 6:00pm, to adopt the budget for FY 2020-2021. All were in favor.

DISCUSSION:

BAD DEBT WRITEOFF: Mayor Johnnie Greene stated that the Town had a list of 2016 accounts that have gone unpaid for Utility and Sanitation services. The Town does not expect to collect payment for these accounts and recommends that Council approve the write off of the accounts. The total amount of these accounts is six thousand one hundred fifteen dollars and sixty cents (\$6,115.60). Mayor Johnnie Greene also advised Council that included in the list are thirty-four (34) accounts the Town has submitted to the NC Debt Setoff Program for Collection. Mayor Johnnie Greene stated the Town had recovered six thousand five hundred eight dollars and eighty-five cents (\$6,508.85) from previous years. There are sufficient funds in the budget to cover this.

Clay Wilson made a motion, and Joe Wesson seconded, to approve staff to write off the 2016 list of bad debts accounts in the amount of six thousand one hundred fifteen dollars and sixty cents (\$6,115.60). All were in favor.

UTILITY DEPOSITS: Town Manager Chase Winebarger stated that each year the Town writes off numerous bad debt from previous customers who do not pay their final bills. Town Manager Chase Winebarger stated that when a customer closes out their account, the deposit that was paid is applied to the customer's bill, and then the customer is mailed out a final bill.

Town Manager Chase Winebarger stated that, in most cases, the deposit that the customer has paid is not enough to cover the amount of the final bill, and that leaves the Town writing off large sums of bad debt that is uncollectable.

Town Manager Chase Winebarger stated that raising the deposits for water and sewer would help lower the amount of bad debt that the Town has to write off each year.

Town Manager Chase Winebarger stated that he would include the new proposed water and sewer deposits in the Fiscal Year 2020-2021 Fee Schedule for Council to review.

No Council action was required.

PUBLIC COMMENT: Mayor Johnnie Greene asked if anyone had any questions or comments at this time.

No one wished to speak.
