Town Administrator Christopher Todd presented to Council a proposed budget for Fiscal Year 2019-2020. Town Administrator Christopher Todd stated that the budget is balanced as required by the NC Local Government Budget and Fiscal Control Act. The Town's overall budget for FY 2019-2020 totals three million ninety-eight thousand seven hundred eight dollars (\$3,098,708.00). A few highlights of the proposed budget include no property tax increase; zero (0%) increase of the sewer rates; an appropriation of Water and Sewer Fund reserves will be made this fiscal year; reduces current level of service by discontinuing curbside recycling collection; maintains current levels of benefits for employees. The Town will also maintain its current levels of service to the citizens. Council must hold a public hearing on June 18, 2019, to adopt the budget.

Clay Wilson made a motion, and Joe Norman seconded, to hold a public hearing on June 18, 2019, to adopt the budget for FY 2019-2020. All were in favor.

DISCUSSION:

VETERAN'S MEMORIAL PARK LEASE: Town Administrator Christopher Todd stated that the Town of Sawmills currently lease the property known as Veteran's Memorial Park through an agreement with Duke Energy. Duke Energy offers this agreement in order to meet its Federal Energy Regulatory Commission (FERC) requirements as an energy provider.

FERC and Duke Energy entered into a new forty (40) year agreement outlining Duke Energy's requirements to operate as an energy provider in 2015. Since 2015, Duke Energy and FERC have been working to draft lease agreements that met the new requirements. The new lease between Duke Energy and the Town of Sawmills addresses their current FERC requirements and would be effective until the year 2055. The new lease would allow the Town to continue to operate the park as currently designed and would not change the general operations of the facilities. Additionally, by having more than twenty (20) years on the lease, the Town would become eligible for more recreation-based grants at Veteran's Memorial Park.

Included in this lease is the construction of a walking path encircling the park property, which will be provided and paid for by Duke Energy. This project is expected to begin in 2020-2021.

Joe Norman made a motion, and Keith Warren seconded, to adopted the drafted lease with

Duke Energy until the year 2055. All were in favor.

TOWN ADMINISTRATOR RESIGNATION: Town Administrator Christopher Todd stated that he had accepted a new position as Town Manager with the Town of Laurel Park effective July 15, 2019. Town Administrator Christopher Todd stated that his last day with the Town of Sawmills would be July 12, 2019.
