

Town of Sawmills
Work Order Policies

Brush Pick-Up:

1. Due to the volume of requests, work orders for brush pickup are handled in the order that they are received. When possible, brush pickup will take place within three (3) business days of receipt of the work order. If not possible to attend to within three (3) business days, brush will be collected as soon as possible.
2. *Brush will only be collected if it is left on the curb with all cut ends turned toward the street.*
3. *No brush from commercial tree trimming companies will be accepted or any brush from out of town.*
4. Limbs should be no larger than **three (3)** inches in diameter and the entire brush pile should be no longer than five (5) foot wide by five (5) foot tall by twelve (12) long. *Tree trunks, logs, and stumps will not be collected and must be separated out from the brush to be collected.*
5. *If brush pile is larger than standard requirements there will be a minimum charge of one hundred fifty dollars (\$150.00) per trip.*

All fees must be paid in advance.

White Goods and Large Item Pick-Up:

6. White Good and Large Item Pickups are collected on Friday. The customer must place a work order for pickup, no later than by 5:00 p.m., on Thursday.
7. *White goods and large items will only be collected if they are left on the curb. The Town will not collect any electronics, building materials, automobile parts or hazardous materials.*

Effective March 16, 2021: All Town customers will receive 6 free pick-ups (which includes standard brush pile, white goods and large item pick-ups) a calendar year (January through December), unless the brush pile is larger than standard requirements. After the 6 free pick-ups a year there will be a charge of \$75.00 per pick-up workorders.

All fees must be paid in advance.

Dead Animal Pickup:

1. When possible, dead animal pickup will take place on the same working day as the receipt of the work order. If not possible to attend to that day, the pickup will be carried out the next working day. *Only pets and wildlife will be collected and only if laying on road or right of way. No commercial animals such as hogs or cattle will be collected.*
